

FOZZY

ANNOUNCE 10-DATE 'SPOTLIGHT ON UK' HEADLINE TOUR
FEBRUARY 2024

NEW SINGLE 'SPOTLIGHT' OUT OCTOBER 2023

Following a storming headline show at London's O2 Kentish Town Forum this summer, powerhouse band **FOZZY** have announced a 10-date UK headline tour for February 2024. Ready to rock cities such as London, Manchester and Glasgow to their foundations, they will also be heading further afield to the likes of Northampton and Buckley, bringing their heavy melodic groove to the masses for one hell of a party.

"The UK has always been the second home for Fozzy and we always look forward to rockin with all of you! The Spotlight tour is our biggest UK tour ever and we are stoked to bring the Fozzy party to your shores with new songs, a new show and the same Fozzy intensity & fun factor that you've come to demand and expect from us!" **Chris Jericho / FOZZY**

With the superstar showmanship of frontman Chris Jericho tag-teamed with guitar genius Rich Ward, **FOZZY** are a band that deliver a truly rock n roll experience - a sonic assault of headbanging riffs, energy and most importantly, amazing songs. The backbone of their sound comes from the killer combination of Grant Brooks on drums, bassist PF Farley and Billy Grey leading the charge

on guitar shredding solos. It's only good times and guaranteed electric performances no matter the crowd or country.

Having paid their dues with endless touring of their earlier albums, sharing the stage with a pantheon of rock icons such as Metallica, KISS and Iron Maiden, it was the release of seventh LP JUDAS that elevated the band into the rarified group of acts to cross over from the rock and metal world into mainstream consciousness. The title track from the album has been streamed over 65 million times on Spotify alone and was [sung word for word by 81,000 fans](#) when **FOZZY** performed at AEW's sellout Wembley Stadium show in August.

Pushing themselves both sonically and artistically over their twenty plus year career, the bands eighth and latest studio album, BOOMBOX contains 'a swathe of catchy-as-hell tunes' ([Metal Hammer](#)) and 'sees the band doubling down on the stadium anthems' ([Classic Rock](#)). With the band continually on the rise, expect an explosive performance of groovy, sweaty and hook-laden rock'n'roll as **FOZZY** tour the UK next year.
